

BRUCE M. GREEN*

Associate Counsel | **A.B. (Physics) Princeton University**

Bruce Green practices in all areas of intellectual property law and litigation and appears regularly in the Federal Court of Canada, Federal Court of Appeal, Supreme Court of British Columbia and the B.C. Court of Appeal in intellectual property causes. His patent practice is primarily in the software, computer, electrical, business methods and mechanical areas.

Bruce has represented clients in obtaining relief for and defending patent, trademark and copyright infringement in numerous cases involving a wide range of industries, including food and beverage, consumer and hardware goods, mining and oilfield machinery, recreational products, clothing and footwear, transportation and housing, construction, real estate development, architecture, music and software.

Bruce has been an adjunct professor at the Peter A. Allard School of Law at the University of British Columbia from 1986 to 2008, lecturing on the subject of copyright. Bruce received the Performing Rights Organization of Canada Copyright Award for the best learned paper on the law of copyright and was a co-recipient of the J. Edward Maybee prize for highest results on the patent agents' examinations.
